CACCI members are invited to participate in the Nepal International Trade Fair (NITF 2012) to be held in Kathmandu, Nepal on 5-9 April 2011. Organized by the Federation of Nepalese Chambers of Commerce and Industry (FNCCI) in collaboration with the Ministry of Commerce & Supplies, Government of Nepal, the Conference aims to give a global platform to the Nepalese SMEs and create new opportunities for them.

The objectives of the Trade Fair are:

- To promote Nepal's International trade and enhance the growth of Nepalese exportable products, especially identified in the Nepal Trade Integration Strategy.
- To help in internationalization of Nepalese SMEs and create many new opportunities for them.
- To link Nepalese business with the international business, for joint ventures, technology transfer, and further business links.

For information on the Trade Fair, please contact:
