

The Federation of Gulf Council Chambers of Commerce (FGCCC), along with its media partnership the Qatar Ministry of Energy & Industry, and the Qatar Petroleum Company, are pleased to announce the first ***Qatar Industrial Investment Opportunities Conference*** dedicated to the intermediate and downstream petrochemical industry, and the aluminium and steel, and iron industries. The Conference will be held on 18-20 October 2010 in Doha, Qatar.

Mr. Abdulla Bin Hamad Al Attyah, Qatar Second Deputy Prime Minister and Minister of Energy, would like to invite you to participate in this Conference under the theme “The Future is Industry” in Doha, Qatar. The Conference will be a unique opportunity for Qatar, International and Gulf decision-makers and industrialists to meet and communicate during the conference activities and the concurrent exhibition with their international counterparts and future suppliers or partners.

To seek new business opportunities and ways to keep businesses sustainable, join the world’s intermediate and downstream petrochemical, and aluminum, Iron and Steel industries as it gathers at the Qatar Industrial Conference Forum this October 2010.
