

Pursuant to the decision made by CACCI Council members during the Summit Meeting held on October 3, 2011 in Taipei, CACCI is inviting Primary Members to submit formal proposals on projects that their respective Chamber wishes to be financed by the CACCI Foundation.

The CACCI Foundation has been set up to help Primary Members implement projects aimed at promoting entrepreneurship and the development of small and medium enterprises (SMEs). The ultimate objective is to assist chambers in Asian developing countries region to become sustained contributors to the economic development of the private sector.

CACCI is therefore calling on Primary Members to submit to formal proposals on projects – either ongoing or still to be implemented – that encourage entrepreneurship and promote the growth and development of SMEs.
