

ATGC Issues Maiden Edition of Newsletter

The Asian Textiles and Garments Council (ATGC), one of the Product and Service Councils under the CACCI umbrella, has published the maiden issue of the ATGC Newsletter.

In his message to CACCI members, ATGC Chairman Mr. Dawood Usman Jakhura from Pakistan expressed his hopes that the inaugural issue of the ATGC Newsletter – and the future ones – will serve as an effective platform for an exchange ideas and information not only among ATGC members but also among other textile and garment industry players in the region as a whole.

The Maiden Issue contains a report on the breakout session held by the ATGC on March 3, 2011 in Istanbul, Turkey in conjunction with the 25th CACCI Conference, as well as articles contributed by CACCI Primary Members on the state of the textile and garments industry in their respective countries.

Mr. Jakhura is inviting members to submit materials for the future issues of the ATGC Newsletter, preferably with accompanying photos, through the CACCI Secretariat via e-mail (cacci@cacci.org.tw) or fax (Fax No. +886 2725 5665).

The ATGC was established during the 68th CACCI Council Meeting held in Phnom Penh, Cambodia in May 2011, with the primary objective of providing a venue for CACCI members to get actively involved in promoting the development and growth of the textiles and garments sector in the Asia-Pacific region. ■
