

YEGAP issues 9th Edition of the Entrepreneur Asia-Pacific

CACCI is pleased to release the 9th Edition of the *Entrepreneur Asia-Pacific*, a publication of the Young Entrepreneurs Group of Asia Pacific (YEGAP) of CACCI, which is under the chairmanship of Ms. Anna Marie Periquet from the Philippines.

CACCI hopes that this latest edition – and future ones - will serve as an effective platform for an exchange of information among young entrepreneurs in CACCI member countries.

CACCI would once again call on members to submit articles – preferably with accompanying photos - for the next issues of *Entrepreneur Asia-Pacific*. Materials may be sent through the CACCI Secretariat's e-mail address at cacci@cacci.org.tw.
